Abstract of proposed collection:

The information collected on the DS-82 is used to facilitate the issuance of passports to U.S. citizens and nationals. The primary purpose of soliciting the information is to establish citizenship, identity, and entitlement to the issuance of the U.S. passport or related service, and to properly administer and enforce the laws pertaining to the issuance thereof.

The DS-82 solicits data necessary for Passport Services to issue a United States passport (book and/or card format) in the exercise of authorities granted to the Secretary of State in 22 United States Code (U.S.C.) section 211a et seq. and Executive Order (EO) 11295 (August 5, 1966) for the issuance of passports to U.S. nationals.

The issuance of U.S. passports requires the determination of identity, nationality, and entitlement, with reference to the provisions of title III of the Immigration and Nationality Act (INA) (8 U.S.C. sections 1401-1504), the 14th Amendment to the

Constitution of the United States, other applicable treaties and laws and implementing regulations at 22 CFR part 50 and 51. The specific regulations pertaining to the Application for a U.S. Passport by Mail are at 22 CFR 51.20 and 51.21

Methodology:

Passport Services collects information from U.S. citizens and non-citizen nationals who complete and submit the U.S. Passport Renewal Application. Passport applicants can either download the DS-82 from the internet or obtain one from an Acceptance Facility/Passport Agency. The form must be completed, signed, and submitted along with the applicant's previous U.S. passport.

U.S. citizens overseas may download the DS-82 from the Internet or obtain one from the nearest U.S. embassy or consulate, along with the procedures to be followed when applying overseas.

Additional information:

The Privacy Act statement has been amended to clarify that an applicant's failure to provide his or her Social Security number may result in the denial of an application, consistent with section 32101 of the Fixing America's Surface Transportation Act (Pub.L.114-94), which authorizes the Department to deny U.S. passport applications when the applicant failed to include his or her Social Security number. It also makes clear that failure to include one's Social Security number may also subject the applicant to a penalty enforced by the International Revenue Service. These requirements and the

underlying legal authorities are further described on page 3 of the instructions titled “Federal Tax Law” which has also been amended to include a reference to Pub.L.114-94.

Dated: May 9, 2016.

Brenda S. Sprague,
Deputy Assistant Secretary for Passport Services,
Bureau of Consular Affairs,
Department of State.
